PROGRAMS FOR FALL 2009 FOR ADULTS & STUDENTS

The Blumenthal Center's Education Institute offers a variety of fun, informative and engaging activities for students, adults, families, performing arts lovers, and those who are new to the arts. If you would like to learn more about the arts and the shows on stage at the Center we encourage you to look into the educational programs offered for the 2009-2010 season and sign up to attend and participate. These activities offer an excellent way to deepen your connection to the Center and your understanding and enjoyment of the shows in our theaters. We also encourage you to participate in the Center's FREE Affinity Clubs, offered by our Center's Marketing department, where you can enjoy your arts experience with peers, colleagues, family members, or friends.
